It's a role that most mothers take very seriously. When the medical community introduced vaccines to protect children from the ravages of disease, it was only natural for mothers to want their children protected. Abortion – Just Facts A major aspect of the debate over abortion concerns the use of terminology. In keeping with Just Facts' Standards of Credibility, this research uses language that is clear and precise. Thus, expressions such as "pro-life" and "pro-choice" are replaced by words that describe specific positions.
