**Coraline Script At Imsdb International Movie Script - [PDF] [EPUB] Coraline Script At Imsdb International Movie Script** Coraline is about a girl who enters through a door and finds herself in a better world. There is an other mother and an other father who are both kind and they both spoil her. Coraline is a a great movie. There are some parts that may be very scary. I would rate this movie PG or PG-13. The script is well written, though it's not based on the book. - Sun, 07 Apr 2019 02:02:00 GMT Coraline Script at IMSDb.
