Colorado State University - Wikipedia Colorado State University (also referred to as Colorado State, State, and CSU) is a public research university in Fort Collins, Colorado. The university is the state's land grant university and the flagship university of the Colorado State University System.. The current enrollment is approximately 33,877 students, including resident and non-resident instruction students. Review Article | British Journal of Medical Practitioners Carers play a vital role in supporting family members who are sick, infirm or disabled. 1 There is no doubt that the families of those with mental disorders are affected by the condition of their near ones. Families not only provide practical help and personal care but also give emotional support to their relative with a mental disorder.
