Many employers utilize personality tests in the employment selection process to identify people who have more than just the knowledge and skills necessary to be successful in their jobs.[1] Intelligence Smart Genius Gifted Wisdom Ignorance Intelligence To be intelligent you first have to know what being Intelligent is. And you also have to know what being ignorant is. Ignorant is just another word for "Not knowing".But not knowing is not always obvious or clearly understood.That's because learning is not fully understood. The more you learn the more you should realize what you didn't know.
