A basic rule of thumb is that there is a single piece of WIP for each operator (or team if two or more people are working together), plus one piece for each machine that does automatic processing of a part. This lets the machine do its job on one piece while you do your job on another. Standard WIP can be established as an individual item or as a set, like four tires. U.S. Department of Labor — Wage and Hour Division (WHD ... Wage and Hour Division (WHD) Family and Medical Leave Act Employer Guide. Since its enactment in 1993, the Family and Medical Leave Act (FMLA) has served as the cornerstone of the Department of Labor's efforts to promote work-life balance and we have worked in support of the principle that no workers should have to choose between the job they need and the family they love.
