The answer to the question "is the future of finance new technology or new people?" is, of course, neither one nor other, but both. In the finance function of the future, leading CFOs will be those that strike the right balance between technology and people, and continually work to focus each on the tasks that best suit their skill sets. Stroke - Wikipedia A stroke is a medical condition in which poor blood flow to the brain results in cell death. There are two main types of stroke: ischemic, due to lack of blood flow, and hemorrhagic, due to bleeding. Both result in parts of the brain not functioning properly. Signs and symptoms of a stroke may include an inability to move or feel on one side of the body, problems understanding or speaking ...
